Honorable Erica Barker Secretary Postal Regulatory Commission 901 New York Avenue, NW, Suite 200 Washington, DC 20268-0001

Dear Ms. Barker:

Pursuant to 39 U.S.C. § 407(d)(2), and consistent with Order No. 5212 in Docket No. CP2019-209, where the Postal Regulatory Commission (Commission) reviewed inbound EMS rates scheduled to take effect January 1, 2020,¹ the United States Postal Service (Postal Service) files as Enclosure 1 to this letter a redacted copy of an EMS rate agreement between the Postal Service and a foreign postal operator (Agreement). The Postal Service has marked the nonpublic, unredacted version of this Agreement as "Confidential" and "Non-Public" and has filed it under seal because it contains information considered confidential and commercially sensitive by the affected postal operator and the Postal Service.

The Postal Service considers certain portions of the Agreement filed in this matter to be protected by 39 U.S.C. § 410(c)(2) and thereby not subject to mandatory disclosure under the Freedom of Information Act (FOIA). Further, the Agreement contains the commercial information of the Postal Service and the affected postal operator, and, as such, certain portions of the Agreement are subject to protection under Exemptions 3 and 4 of FOIA. Consequently, the Postal Service requests that the redacted portions of the Agreement remain confidential and incorporates by reference the Application for Non-Public Treatment filed with the Postal Service's initial Notice in Docket No. CP2019-209.² In addition, we respectfully request that the Commission coordinate with the Postal Service in the event that this Agreement becomes the subject of a FOIA request, so that we can engage in appropriate consultations with the affected postal operator.

<sup>&</sup>lt;sup>1</sup> PRC Order No. 5212, Order Approving Changes in Prices Not of General Applicability For Inbound EMS 2, Docket No. CP2019-209, August 28, 2019. This is also consistent with the practice under PRC Order No. 1865 granting the United States Postal Service's Motion for Reconsideration of Order No. 1822 in PRC Docket No. CP2013-77. See PRC Order No. 1865, Order Granting Motion for Reconsideration of Order No. 1822, Docket No. CP2013-77, October 30, 2013.

<sup>&</sup>lt;sup>2</sup> Notice of the United States Postal Service of Filings Changes in Rates Not of General Applicability for Inbound EMS 2, and Application for Non-Public Treatment, at Attachment 1 (Application of the United States Postal Service for Non-Public Treatment), Docket No. CP2019-209, August 17, 2019.

Thank you for your attention to this matter. Please feel free to contact me if further information would be helpful.

Dear

I am writing to provide you with the

Pursuant to the Universal Postal Union International Bureau (UPU IB) Circular 49 issued on April 9, 2018, the U.S. Government requires the transmission of Item Attribute (ITMATT) M33-11 data from all its EMS partners for all EMS items sent to the U.S. as a condition of acceptance. In addition, on October 24, 2018, the U.S. Government enacted the Synthetics Trafficking and Overdose Prevention (STOP) Act. Among other things, the new law (19 U.S.C. § 1415(a)(3)(K)(vi)) mandates that 100 percent of inbound shipments containing goodswhich includes express, parcels, tracked packets, and untracked packets—be accompanied by electronic advance data (EAD) by December 31, 2020. EAD includes both ITMATT and Pre-Advice/items nested to the receptacle (PREDES). Without having the PREDES data coupled with the ITMATT data. United States Customs and Border Protection cannot successfully target shipments to identify packages containing illicit goods. Failure to meet the above EAD requirements could result in a delay or return of your inbound shipments.

Based on the above proposal,

We therefore propose to apply the following discounted rates for EMS items exchanged between and USPS in calendar year 2020:

Under U.S. law, the USPS is also required to file all commercial agreements signed with an agency of a foreign government, including this letter, with the PRC. The USPS believes that it is possible that your organization may have a proprietary interest in information in this letter. Because we consider it to be sensitive commercial information, we will designate the letter as "non-public." Under U.S. law (Title 39, Code of Federal Regulations, Part 3007), whenever the USPS files information non-publicly, the USPS is required to notify any organization that may have an interest in the nonpublic information that it is filing such information with the PRC, together with an application for the PRC to treat the information as non-public material. As required by its regulations, we will identify the USPS as the PRC's point of contact in the event that additional notices need to be sent concerning this filing. This is done to protect your confidentiality. USPS will inform you of any such notices it receives.

We are also required to notify you that your organization may address any confidentiality concerns that you may have directly with the PRC. At this time, we do not believe any action is needed on the part of your organization. However, we are required to advise you that the procedure for making an application to the PRC for non-public treatment of materials believed to be protected from disclosure is found at Title 39, U.S. Code of Federal Regulations, Part 3007, Subpart B, including Sections 3007.201 and 3007.204, and it also may be viewed on the PRC's website at: <a href="https://www.prc.gov/docs/105/105579/Order%20No.%204679.pdf">www.prc.gov/docs/105/105579/Order%20No.%204679.pdf</a>.
